

FREIGHT F'S OUT IN FORCE!

Kato's F-Units are some of the most reliable and best operating North American locomotives you can add to your layout - enjoy smooth DCC-friendly operation while operating these locomotives as A, AB, or even ABBA sets. All A and B units are fully motorized for maximum performance! Currently Kato USA has in stock a variety of colorful freight scheme F7 and F3 locomotives that are itching to be put to work on your layout!

The newest release in Kato's F-unit line, the Northern Pacific F7 two-locomotive set (available in two different road number pairs) is available at hobby stores now, along with Great Northern and Santa Fe "Blue Bonnet" F7's and Chicago Burlington & Quincy F3's!

*Don't just
imagine it!*

Hear it!

The Kato Sound Box brings all the bells and whistles to your analog track system in a way that's easy to use and even easier to enjoy! Hear it for yourself on our Youtube Channel - scan the QR code to the right with your phone or visit youtube.com/KatoUSAinc
