

Kato's F7 Freight Train Sets - Reliable Freight operation in a single package

The perfect jump-off point! Every hobby begins with a single step; start off on the right foot with a Kato "Starter Series" train set! Ideal for beginning modelers who already have a track setup or who are looking to purchase one of Kato's Master Series Track Set!

Each F7 Freight Train set includes one of Kato's EMD F7A locomotives, two ACF Covered Hoppers, a tank car, and an

appropriately painted caboose. The F7A locomotives are DCC friendly and can be easily upgraded for Digital Command Control. The trains can be supplemented with a diverse variety of cars, including MAXI-I or MAXI-IV intermodal or Bethgon Coal or Protein cars! **Enjoy these Freight + car bundles now with pre-installed DCC and DCC+Sound!**
