

INSTRUCTIONS:

STEP1

Cut or beak the sprue at (A) before installing handrails.

STEP2

Holding the sprue, fully insert handrail step and nose.

STEP3

Once handrail is firmly pressed into place, detach sprue with slight back and forth movement. Sprue will snap cleanly from handrail. (Sprue can also be cut from handrail with hobby knife.)

LIMITED WARRANTY

KATO U.S.A., INC. warrants that this product will be free from defects in material and workmanship for a period of sixty(60)days from the date of purchase. If this product fails during the warranty period, carefully pack the assembled item in the original carton, together with the dated sales receipt, and return to : KATO U.S.A., INC, 100 Remington Road, Schaumburg, IL 60173. Defects due to misuse, improper maintenance and/or above are not covered by this warranty. Items that have been modified by the modeler or anyone other than an authorized KATO repair person are not covered by the warranty. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
